A MESSAGE FROM OUR MANAGER

Bryan Cox

April in Central Illinois is one of those months where the weather is all over the place. We saw temperatures in the low 80's for a couple days in early April and we also saw rain and temperatures in the low 40's.

Golf season has arrived and there are many activities planned at Piper Glen. Every Thursday night, there is a 2 Person Scramble; it's a great way to meet other golfers and enjoy 9 holes of golf, call the Golf Shop to sign up.

A MESSAGE FROM OUR MANAGER

continued from p. 01

Mother's day is on May 9th and all moms will golf free and receive a free rose! We will also be having our 2-Person Red, White, Blue Scramble on May 22nd.

The golf course is in fantastic shape. The golf course has greened up considerably in the past few weeks. We are now in full swing, mowing all areas of play and doing our normal maintenance practices. We have also gotten some projects done and some tree work that we hope all of the golfers will notice and appreciate.

The weather in May gives everyone a great opportunity to come play golf and then enjoy some food and a cocktail or two in the bar or on our patio.

The weather in May gives everyone a great opportunity to come play golf and then enjoy some food and a cocktail or two in the bar or on our patio. Venessa, Shannon, McKenna, and Ashley will be happy to provide your beverage of choice or just ask them what they would recommend. Venessa has been hard at work coming up with daily lunch and drink specials!

MEET OUR BAR STAFF

We have got an incredible staff that is ready to get you a nice, cold beer or your favorite cocktail!

VENESSA, FOOD & BAR MANAGER

Venessa is loaded with experience from being certified in Culinary Arts from Auguste Escoffier School of Culinary Arts and being certified in Bartending and Food and Beverage Management from Diageo Bar Academy, she knows her stuff. When she's not busy behind the bar, you may catch her out on the course golfing, patio drinking with her "Wolfpack" girls, working with the St. Jude's fundraising team, and hanging with the love of her life, her cat Furio. She's excited to be back and doing what she loves and trying new things. She is happy to have staff back and is ready for a successful 2021 season!

MCKENNA

This is McKenna's 5th season with Piper Glen and you may have seen her on the bev cart before, but she'll be behind the bar now, as well! Her favorite shot to make is a lemon drop, so be sure to ask her for one! She currently studies radiography at Illinois State.

ASHLEY

Ashley's favorite drink to make is a vodka lemonade. She will be starting the doctoral program for Physical Therapy this summer at Midwestern University. Don't hold it against her, but she is a big Michigan and Green Bay Packers fan!

JUSTIN

This is Justin's 2nd season with Piper Glen and if you ask what his favorite drink to make is, he'll tell you a water on the rocks. When he's not behind the bar, he spends his time golfing and cooking, while also having an interest in horticulture.

CLAIRE

Claire's favorite drink to make is a dirty martini. She is currently attending Illinois State University where she is majoring in Interior Design and also participates on the dance team. She loves cats and making art.

SHANNON

This is Shannon's 2nd season with Piper Glen and she will make her famous pickle shots if you ask her! She has 15 years experience as a Rockstar bartender. You can find her singing, shoe shopping, or watching her favorite movie, Goodfellas.

MOTHER'S DAY SUNDAY, MAY 9TH

Not sure what to do for Mother's Day this year? Bring her to the golf course for a day of fun, drinks, and golf!

Moms golf free for the day and we'll even be handing out complimentary roses to those who come out for the day.

We hope to see many of you at Piper Glen next Sunday and thank all moms for all that they do!

SWING TIP OF THE MONTH

Is your golf game up and down due to inconsistent ball striking? You're not alone in this area.

Here's my favorite drill for solid consistent impact:

Grab a short iron, take your setup, then angle your back knee inward so your back foot is up on its toes. That will push the majority of your weight to your front side. From this setup, hit some half and three-quarter shots. You'll make ball-first contact with your weight forward at impact and feel a nice push off your back foot as you go through. Mix in some regular swings from your normal setup, feeling your weight firmly on your front side during the forward swing and let me know how you get on.
